NEW Cosmetic Body Roll-CIT™ now in stock!

The **NEW** Cosmetic **Body Roll-CIT** is a revolutionary and unique instrument designed to treat large curved areas of the body.

The **Body Roll-CIT** should be used in conjunction with AVST Hydrating Lotion and AVST Body Oil and/or Body Cream to enhance the efficacy of the ingredients in order to obtain better and faster results.

The **Body Roll-CIT** can also be used with the Body Profile Cream to help smooth the texture and condition of the skin.

The **Body Roll-CIT** and Environ Body skin care products will assist in:

- Restoring tightness
- Softening scars
- Reducing stretch marks
- Reducing wrinkles

The **Environ Cosmetic Body Roll-CIT** comprises a stainless steel handle, two smooth action roller heads and durable stainless steel micro needles.

It is recommended that the body be prepared with Environ body products before using the **NEW Body Roll-CIT** for optimum results.
